

Memo by [redacted] A. Onuf

19 June 69

sub: Estimate of Ability  
of Remaining Corona's to  
Meet Search/Surveillance Requirements.

for  
as info for excom mtg of  
20 June 69 - if  
adequacy of COR <sup>problem</sup> was  
discussed - said it  
might depend on the  
availability & usability  
of Ultra Thin Base Film  
in order to meet USIB-approved  
search requirements.
